

# BADGER

## Heating & Air Conditioning

### ANNOUNCING OUR "OPEN DOOR" SERVICE PLAN.

"Do more than the customers expects"  
That's the motto we live by here at  
Badger Heating and Air Conditioning.

## CUSTOMER HEALTH PROTECTION AND SAFETY POLICY AND PROCEDURE

While we realize the importance of keeping your furnace and air conditioner running smoothly, right now our mutual health and safety is our primary concern. We value you as our customer and are taking extra steps to minimize and eliminate the spread of viruses and other health related illnesses.

### Don't wait to schedule your Air Conditioner and Furnace Seasonal Maintenance.

Annual maintenance minimizes the risk of breakdowns when you least expect it.

#### Our Maintenance Service Includes:

- Furnace Tune-Up
- Air Conditioner Tune-Up
- Air Handler Tune-Up
- Heat Pump Tune-Up
- Boiler/Hydronic Tune-Up

Call to schedule your seasonal maintenance service.

# (715) 344-3311

24 hour emergency service hotline: (888) 388-4884

### Open Door plan, we will do the following:

- Call ahead when we are on the way to your home.
- We will call you when we arrive at your home.
- We will put on our booties, gloves and mask before we enter your home.
- You can leave your door open and point us in the direction of the indoor unit from a comfortable distance and we will find our way to your equipment, while minimizing any contact in the home. Minimum 6 foot social distance separation inside your home.
- We will perform your maintenance service.
- We will clean and disinfect any surfaces we come into contact with.
- When we complete the service, we'll call you from our van and Mail or Email you the invoice for services performed.

*If requested, all work can be completed with no contact with the homeowner.*
